Federated States of Micronesia
Project for Strengthening Public Financial Management II (P181237)
Procurement Officer
Terms of Reference
For FSM Nationals Only

Title:	Procurement Officer
Location:	Palikir, National Government of the Federated States of Micronesia - Department of Finance and Administration (DoFA)
Duration:	Initial contract duration of 2 years (full time) with the potential to extend based on available finance and satisfactory performance
Tentative Start Date:	As soon as possible

BACKGROUND

The Government of the Federated States of Micronesia (FSM) has received a grant from the World Bank to improve fiscal management practices and increase fiscal transparency at the National Government level. The project builds upon key public financial management (PFM) achieved under the previous PFM I project and intends to institutionalize those achievements by:

- Expanding the core financial management information system (FMIS) to line departments and agencies
- Improve systems and process in budget formulation and execution, procurement, treasury functions, internal controls, and reporting
- Strengthening technical capacities of the Department of Finance & Administration (DoFA)
- Review existing PFM legislation to identify changes to support transition to a digital PFM environment

Project components are:

- a. Improved fiscal management practices and controls.
- b. Expanded core FMIS
- c. Enhanced human resource capacity, communications and change management, and
- d. Project management.

To support the implementation of PFM II project, a Project Implementation Unit (PIU) consisting of a Project Manager, Financial Management Officer and a Procurement Officer will be established at the Department of Finance and Administration (DoFA).

The PIU will be responsible for coordinating the implementation of the Project with the DoFA authorities and receiving internal approvals where necessary. The PIU will also be responsible for preparing and implementing the Project in accordance with Procurement regulations, February 2025 as well as the annual work plans and budgets which will detail project activities and eligible expenditures.

In order to strengthen project management support to the portfolio of WB-financed projects, a Central Implementation Unit (CIU) has been established under the Investment Finance Unit in the Department of Finance and Administration. The objective of the CIU is to provide support to PIUs in the preparation, implementation and reporting of WB-financed projects. The CIU will assist PFM PIU in core cross-cutting functions including financial management, environmental & social safeguards, monitoring & evaluation, communications and procurement.
