2. **You may submit a quotation for one LOT or multiple LOTs under this RFQ. Each item will be evaluated in a LOT, and purchase orders (POs) will be issued to the supplier(s) offering the lowest evaluated price per LOT, provided the quotation is substantially responsive to the required technical specifications.**
3. **If no vendor is awarded the entire LOT, individual items may be awarded to different vendors based on the lowest evaluated price per item, provided each item is substantially responsive, meets delivery and quality requirements, and there are no concerns regarding the vendor’s previous or current performance.**
4. **Your price quotation in the forms attached (Annexes 1, 3 and 4) may be submitted electronically only at the following address:**  
  
Hyunjeong Lee  
SEE Project Manager  
FSM National Department of Education  
P.O Box PS 87  
Palikir, Pohnpei FM. 96941  
Telephone: 691-320-2609  
e-mail address: [hyunjeong.lee@national.doe.fm](mailto:hyunjeong.lee@national.doe.fm) with a copy to [angelyne.aten@national.doe.fm](mailto:angelyne.aten@national.doe.fm), [steve.mendiola@national.doe.fm](mailto:steve.mendiola@national.doe.fm)
5. **Product Requirements: All quoted items must be carefully selected to meet the specific needs of the FSM. For example, manuals must be provided in English, power outlets must match local standards, and other specifications must be suitable for use by FSM citizens. Items that do not meet these expectations upon delivery will be returned to the vendor at their expense.**
6. **The deadline for receipt of your quotation(s) by the NDOE at the address indicated in above Paragraph 3 is: February 2, by 3PM Pohnpei time.**
7. **Your quotation in English language, should be accompanied by adequate technical documentation/specification and catalogue(s) and other printed material or pertinent information as specified in Annex 2 for each item quoted.**
8. **Vendors who submit entire product manuals instead of a clear summary of key technical specifications may be excluded from evaluation, unless the relevant specifications are clearly highlighted for the Evaluation Committee’s easy reference.**

9. PRICES

The prices should be quoted in United States Dollars for the total price of the Goods and all national and state taxes plus the price of delivery to the final destination provided in the destination columns..

10. EVALUATION OF QUOTATIONS

Offers determined to be substantially responsive to the technical specifications will be evaluated by comparison of the total price of the Goods, National and State Taxes and delivery at the final destination in accordance with Paragraph 2 above.

In evaluating the quotations, NDOE will determine for each quotation the evaluated price by adjusting the price quotation by making any correction for any arithmetical errors as follows:

- a) where there is a discrepancy between amounts in figures and in words, the amount in words will govern;
- b) where there is a discrepancy between the unit rate and the line-item total resulting from multiplying the unit rate by the quantity, the unit rate as quoted will govern;
- c) if a Supplier refuses to accept the correction, their quotation will be rejected.

11. AWARD OF CONTRACT: The award will be made to the bidder offering the lowest evaluated price per LOT and offering goods which are substantially responsive to the technical specifications<sup>1</sup>. The successful bidder will be issued a Purchase Order for the entire LOT.

12. VALIDITY OF THE OFFER: Your quotation(s) should be valid for a period of **sixty (60)** days from the deadline for receipt of quotation(s) indicated in Paragraph 4 of this RFQ.

13. **FAILURE TO PERFORM. The Purchaser may cancel the Contract if the Supplier fails to deliver the Goods in accordance with this Contract – that is, the delivery period specified in Annex 1 – and further fails to deliver the Goods within an additional grace period of up to three months (except where the delay is supported by acceptable justification), the Purchaser may, upon giving 14-day notice to the Supplier, cancel the Purchase Order or the Contractor, without incurring any liability to the Supplier.**

14. **Your quotation(s) should be submitted as per the above-mentioned instructions.** Failure to comply with above mentioned instructions will render your quotation being Technically Non-Compliant and will not be subject to further evaluations.

2. Assembly and Testing: Within ten (10) days after delivery, all delivered equipment by the vendor that requires Assembly and Testing must be done so in the presence of a representative from the respective High School, State Department of Education, and the Project Implementation Unit, or their authorized designee, to ensure equipment functionality as per specifications and fully operational prior to any acceptance and payment.
  
3. Fixed Price: The prices indicated above are firm and fixed and not subject to any adjustment during contract performance.
  
4. The NDOE reserves the right at the time of contract finalization to increase by up to 15% the quantity of goods and services originally specified for each item without any change in unit prices as well as other terms and conditions.
  
5. **FAILURE TO PERFORM**. The Purchaser may cancel the Contract if the Supplier fails to deliver the Goods in accordance with this Contract – that is, the delivery period specified in Annex 1 – and further fails to deliver the Goods within an additional grace period of up to three months (except where the delay is supported by acceptable justification), the Purchaser may, upon giving 14-day notice to the Supplier, cancel the Purchase Order or the Contractor, without incurring any liability to the Supplier.
  
6. Packaging and Marking Instructions: The Supplier shall provide standard packing of the Goods as required to prevent their damage or deterioration during transit to and unloading at the final/port of destination.
  
7. Payment. Payment against the Contract will be made as follows:  
  
100% against receipt of goods and issue of Acceptance Certificate by the NDOE, for the respective delivery. Payment shall be made by Cheque or wire transfer.
  
8. Warranty. Goods offered should be covered by a warranty as specified in Annex 1, Prices and Schedules of Supply Table.
  
9. Defects. All defects shall be corrected by the Supplier without any cost to the NDOE within 30 days from the date of notice by NDOE. Name and address of service facility of the Supplier by which the defects are to be corrected, within the warranty period:  
  
Name and Address \_\_\_\_\_ *(to be filled by Supplier)*
  
10. The Supplier confirms compliance with the Technical Specifications provided in Annex 2, subject to the accepted deviations, if any, in Annex 4.
